

councils

Plasma Art is proud to have worked with Councils and community groups to supply custom-made pieces of functional and decorative metal art.

When working with clients we are committed to a timely completion and customer satisfaction of enduring, quality products.

Market Tested

- Provides outstanding products and quality services to local government and commercial clients
- Outstanding Project Management experience in delivering successful small and big scale projects
- Excellent industry reputation with experience spanning over a decade on small and large projects across South Australia

Experience with Councils and Communities

- Kapunda Council
- Copper Coast Council
- Renmark Council
- Waikerie Berry Council
- District Council of Cleve
- Peterborough Council
- Renmark RSL
- Peterborough RSL
- Moonta Community Group

- American River Kangaroo Island Community Group

Social Outcomes

We are a local business with a focus on positive outcomes for communities by developing people-centred planning and design.

- We create safe, durable, quality products that are enjoyed by the whole community
- Our signs, bench seats and lecterns provide parks and community spaces with reference points for special occasions, such as Anzac Day Services, Christmas, Easter and public celebrations
- Public art, signs, bin coverings and park benches contribute to community aesthetics . Local communities are invigorated to gather when there is evidence of pride and belonging in public spaces
- Our custom-made designs help to reflect the culture, history and true essence of an area. Welcome signs, symbolic sculptures and outdoor furniture reflect a sense of pride in the township and the spirit of the community
- Individuals, groups, businesses and organisations personalise and enhance their space with fences, garden sculptures and outdoor furniture, contributing to the wider appeal of the area

Compliance

For your peace of mind, we adhere to occupational health and safety guidelines including site specific requirements.

We are covered by Public Liability Insurance and can provide a quote within 48 hours.

Our products are made with premium quality, Australian-made metal and we proudly support local businesses as our preferred suppliers.

We use locally-sourced recycled posts that are eco-friendly, low-maintenance and made from 100% recycled materials.
